## HOPE FOR CHICAGO RACING

### MOVEMENT ON FOOT FOR NEW ORGANIZATION TO TAKE OVER ALL LOCAL TRACKS.

### If All Goes Well Meetings on New York Plan May Take Place at Harlem, Hawthorne and Worth.

Toronto, Ont., May 29.—M. H. Tichenor, well known to Chicago race-goers, arrived here last night. He motored over from Buffalo and came to interest several prominent horsemen in a scheme to re-establish racing in Chicago. The story is that a company is to be formed which will be capitalized at $100,000. Mr. Ogden Armour is to be elected president and the Harlem, Hawthorne and Worth tracks are to be leased and operated by this new company. It is understood that options have been obtained on both Hawthorne and Worth and it is expected that no trouble will be experienced in securing Harlem.

John Condon, who arrived from Denver yesterday morning, was asked if he knew anything about the leasing, holding and operating company for the Chicago race tracks. He said: "Nothing definite or in detail—yet. Mr. Tichenor came to me some five or six weeks ago and spoke of some such plan. I told him to go ahead and that the Harlem Jockey Club would not stand in the way. I have long held the idea that if racing is to be put upon its feet in a sound way in Chicago, we old fellows, who have been unable to agree, must be eliminated. Ed Corrigan has fought himself into retirement and I have other interests to keep me busy and am willing to step aside, even though I have the idea that racing under John Condon was not distasteful to Chicagoans. The Harlem Jockey Club can easily be put aside for a new organization. Mr. Tichenor told me nothing of the details of his plan and not having heard from him since, I supposed that some obstacles had been encountered and that it had been dropped. I am glad that it has not."

The position of both the Hawthorne and Worth organizations is understood to be similar to that assumed by Condon. Should the new association be organized and the tracks taken over, Harlem would probably be the first track to open late in June. The property is in good condition and could be made ready for racing in fifteen or twenty days.

Hawthorne would require more work, but could easily be put in perfect condition for racing in thirty days.

The Worth property is a good deal of a wreck. The storm of a month ago tore gaps in its fences and the roofs of many of its stables were blown in. The fences were repaired, but the roofs were merely laid aside. It will take a large force of workmen thirty days to put the Worth plant in racing trim.

It is considered that, with racing in the hands of a high-class organization such as is planned by Mr. Tichenor, such betting as would rule in connection with racing would be unpublic, modest and far from objectionable in the sense that public betting with stands, slates and noisily displayed odds has been objectionable in the past. There is no question about horses. Five hundred of the best in the west and many from the east would be sent to Chicago for competition should the tracks re-open and a revival of the American Derby may follow if conditions and apparent stability of the renewal warrant it.

It is understood that the encouraging condition of racing in New York following the favorable decisions of the courts in construing statutes fully as severe as Illinois laws concerning betting, had much to do with the development of the project to restore what was formerly one of the prime attractions of Chicago to thousands throughout this country. What the lack of racing here since 1904 has cost the merchants, hotels, restaurants and provision and feed store proprietors, as well as other lines of traffic, would not be easy to compute, but that it runs into millions is stating it modestly. The gentlemen who will form the new organization if it is to be found practicable, are moved by the commercial considerations of great value enumerated, as well as a desire to restore as near as may be possible a sport that advertised Chicago advantageously and was immensely popular with its people.

Daily Racing Form is not saying positively to its readers that there will be racing over Chicago tracks this year. But there exists a reasonable probability of its restoration to the list of Chicago's attractions as a summer resort and the men who are working to that end are men of high standing in the community and accustomed to success in their undertakings.

## BEN STROME'S DAYS ARE NUMBERED.

### Famous Stallion's Faculties Are Failing—Dixiana Farm Will Market Twenty-Five Yearlings.

Lexington, Ky., May 29.—Major Thomas J. Carson will send from Dixiana Stud to the Sheepshead Bay sales a month hence twenty-five thoroughbred yearlings, seventeen of them colts, as follows:

Bay colt, by Ben Strome—All Colors, by Wagner.
Chestnut filly, by Ben Strome—Sly Nun, by Masetto.
Chestnut filly, by Ben Strome—Cherwell, by Faverdale.
Bay colt, by Ben Strome—Cheesecloth, by Chevening.
Bay colt, by Ben Strome—Monita, by Hamburg.

Bay colt, by Griffon—Deep Sieep.
Bay colt, by Griffon—Earth, by Esher.
Bay filly, by Alloway—Flaxen Hair, by Ben Strome.
Chestnut colt, by Faverdale—Benedictine, by Ben Strome.

The star of the collection is the full brother to Engenia Burch and Belle Strome, out of The Humber. He is said to be a real good yearling. The brother to Bath Beach, out of Irvana, is in conformation much like Ben Strome.

The days of old Ben Strome are numbered. He is blind in the left eye and the sight of the right eye is failing. Major Carson sent only ten mares to his court this season and will reduce the number to five or less next year. Faverdale, blind in both eyes and of no service nowadays, is a pensioner at Dixiana. Griffon developed a ringbone a few weeks ago and had to be fired. Scintillant II. and Ormicant, the latest stallion acquisitions at Dixiana, they having been purchased from Edward Corrigan last fall, are in excellent condition and both have had big seasons.

## CONDENSED HISTORY OF THE NATIONAL STALLION RACE

Tomorrow afternoon one of the most valuable races of the present year for two-year-olds will be decided when the National Stallion Race is run at Belmont Park. Besides its $8,000 added money it derives this year $3,340 from the entrance fee of stallions nominated to render their progeny eligible, $1,760 from 176 declarations at $10 each, $150 from three declarations at $50 each and has 55 eligibles at $50 each, with $200 additional to start. So it can be seen that quite a tidy sum of money awaits the fortunate owner of the winner. The race is to be run for the twelfth time tomorrow and its record to date is as follows:

| Year. | First. | Jockeys. | Wt. | Second. | Wt. | Third. | Wt. | Val. | Time. |

## GLORIOUS RACING AT WOODBINE.

### King James Takes Toronto Cup in Game Fashion—Great Reception for Earl Grey.

Toronto, Ont., May 29.—King James, the homely but brilliant son of Plaudit—Unsightly, running in the colors of S. C. Hildreth, showed a splendid performance in the Toronto Cup today when he won by a length after being the pacemaker throughout. He was ridden by Guy Burns, was on the inside in the worst going for the entire trip, stalled off challenges from both High Private and Hanbridge while rounding the far turn, and had enough in reserve to stand off Arondack when the latter challenged in the stretch. It was a grand race, won by a game horse in gallant fashion. King James was an odds-on favorite and was heavily supported by the public. It was one of the greatest day's racing ever run at Woodbine and was witnessed by one of the largest crowds that ever gathered on a Canadian track. Secretary Fraser fairly outdid himself. He provided a program that would have done credit to one of the metropolitan tracks. The cup had an added value of $5,000.

Besides this stake there was provided as features the Woodbine Steeplechase with $1,500 added, the Howick Plate and the Martimas purse. The attendance exceeded in point of numbers that of the opening day. Long before the time arrived for the horses to be called to the post for the opening race the seating capacity of the enclosure had been exhausted and the overflow made themselves as comfortable as possible on the spacious lawns. There were fully 15,000 persons present. Earl Grey attended the races in state. Escorted by a company of the Royal King's Gnards, he drove to the course. He was received with great cheering in passing the betting enclosure and grandstand and his reception demonstrated that racing is surely popular in the Dominion. Dr. Andrew Smith, chairman of the executive committee of the Ontario Jockey Club, was highly gratified over the reception given Earl Grey. Dr. Smith has nursed racing along in Ontario for a number of years and in his declining years he has the satisfaction of seeing the sport on a sound and stable basis.

Society was out in force, many prominent families in the Dominion being represented.

Interest, of course, centered in the running of the Toronto Cup. King James was always the public choice. Guy Burns, the regular stable jockey, came on from New York to ride the colt. The warm-ups were eagerly watched, especial attention being given to King James and High Private. Both were only cantered through the stretch. Starter Dade experienced some little difficulty in sending them away. When the barrier was finally lifted it found the field leaving the post in a mix-up. King James, High Private and Guy Fisher had the worst of it and repeatedly bumped one another for the first few strides. High Private, which suffered most of all, quickly recovered and went after the leaders. Rounding the far turn into the backstretch, King James, High Private and Hanbridge were heads apart. The early pace was very fast, the first quarter being run in 24 and the half in 49. King James had his head in front with Burns hustling him along. The six furlongs were covered in 1:14⅘, with King James still leading by a small margin. Straightened out for the stretch drive, Arondack moved up with determination and at the furlong post was on almost even terms with the leader. Burns then drew his whip and, after striking King James a couple of times, the latter drew away again and at the finish was a length to the good. Arondack, High Private and Guy Fisher finished behind the winner heads apart in the order named.

The Woodbine Steeplechase proved easy for Agent. He was under stout restraint for two turns of the field and in the stretch dashed to the front and won with plenty in reserve.

The condensed history of the Woodbine Steeplechase since 1902 is as follows:

| Year. | Winner. | A. | Wt. | Jockey. | Val. | Time. |
|---|---|---|---|---|---|---|
| 1902 | Sallust | 7 | 159 | O'Donnell | $650 | 6:16 |
| 1903 | Highbee | 10 | 159 | Gallagher | 755 | 5:45¼ |
| 1904 | Conover | 8 | 160 | Holman | 755 | 6:07½ |
| 1905 | Conover | 9 | 159 | Mr. Harris | 840 | 5:57 |
| 1906 | Conover | 10 | 160 | Mr. Kerr | 850 | 5:16⅘ |
| 1907 | Picktime | 8 | 156 | Brazil | 995 | 5:18⅘ |
| 1908 | The Knight | 4 | 140 | McInerny | 935 | 5:25⅗ |
| 1909 | Agent | 7 | 163 | Kelleher | 1,450 | 6:17 |

Both High Private and King James were shipped back to New York tonight. They are eligibles for the Brooklyn Handicap and both will probably go to the post in that stake.

It is understood that horsemen, jockeys and horses who participate in the meeting to be held at Dufferin Park will be placed under the ban of the Jockey Club in New York. The meeting at Dufferin Park is not sanctioned by the Canadian Racing Associations, and the people at the head of the half-mile ring are looked upon here as turf wreckers. One of the judges is said to have announced that "hop," batteries and anything else will go, provided that horsemen will notify them in advance so that the ring will be protected.

## LAWYER AROUSES LOUISIANA SENTIMENT.

New Orleans, La., May 29.—W. S. Parkerson, president of the Louisiana Bar Association, in his annual address at the state convention of lawyers at Alexandria, today denounced the Locke anti-race track law as an ethical law which attempts to make people good by legislation. "It is just as easy to send souls to heaven by legislation, declared president Parkerson.

His address has created a sensation over the state and in many quarters it is interpreted as the beginning of a positive movement for the repeal or at least modification of the Locke law at the next session of the legislature just one year hence. The firm stand taken by Mr. Parkerson as the head of the Louisiana Bar Association is being widely applauded here tonight. He also condemned rigid liquor legislation.

## JAMESTOWN MEETING ENDS.

Norfolk, Va., May 29.—The spring meeting of the Jamestown Jockey Club came to a close today. The attendance was the largest of the meeting. The sport was marred by an accident in the feature event, a handicap for three-year-olds and upward. The field was reduced by scratches to three horses—Pearl Point, Eschau and Mystifier. All were heavily supported. Away in a perfect line they raced together for a sixteenth. Eschau, bearing in slightly, pinched off Mystifier. The latter fell. Pearl Point then opened a gap of several lengths, but Eschau wore him down and won by a neck.

## GREAT RUN OF FAVORITES AT LATONIA.

### Louise S. Takes the Clipsetta Stakes—Other Contenders Encounter Much Interference.

Cincinnati, O., May 29.—Weather conditions today could hardly have been improved upon and served to bring to Latonia this afternoon an attendance that equaled in point of numbers that of Derby day. Secretary Murphy had surrounded the Clipsetta Stakes, the feature of the card, with five other races of considerable promise, and the trainers were fairly responsive in sending their best charges to the post. Good contests resulted and the volume of speculation was sufficient to keep twenty-four layers busy.

The Clipsetta Stakes, one of the oldest local fixtures, and one that frequently serves for the uncovering of a good filly, went to Louise S. in rather handy style. Her victory was not as impressive as it might have been for the reason that most of the other starters were subjected to repeated interference. The winner almost shared favoritism with the J. T. Ireland pair, Chanticlor and Starport, neither of which cut any figure in the running. A jam soon after the start and the rough tactics of some of the riders were chiefly to blame for their failure to show to better advantage. Louise S. had clear sailing throughout, stayed close to Fereno and Eva Tanguay during the early running and came away in the stretch to win with plenty in reserve. Eva Tanguay took second place from Fereno.

Favorites again had remarkable success, five finishing first, while Louise S., the remaining winner, was a strongly supported second choice. Because of the increased number of layers there was a noticeable improvement in the odds quoted. The bookmakers sustained severe losses.

The best finish of the afternoon came with the running of the final race, when Keep Moving and E. T. Snipp measured strides through the entire last quarter and came to the finish so closely together that none but the judges could accurately tell which had won. The victory of Keep Moving was well received.

The sprint handicap, in which several good short distance racers met, was marred by a mishap to Madman at barrier rise. He got away stumbling and caused Caplin to be unseated. His elimination left Al Muller, Dainty Dame and Sea Swell to fight it out, Al Muller winning after he had worn down Sea Swell, with Dainty Dame pressing him closely at the end. Sea Swell showed himself to be a fast non-stayer, probably with a penchant for muddy going.

Sorrel Top, Merrick and Romp were backed into odds-on favoritism and they easily proved superior to their opponents in their respective races.

Word was received today that at a meeting of the Louisville Jockey Club stewards, jockey Gaylor, who had been under the ban for a suspicious ride in a jumping race last year, was restored to favor on the condition that his efforts in future be confined to training horses.

William Shelley, who served as presiding judge at City Park during a short period of the racing in 1908, and who had occasion to suspend jockey Pollock for a faulty ride in a steeplechase race, sent word here today that he had restored the rider to good standing.

At a meeting of the directors of the Latonia Jockey Club held here today, John Hachmeister was re-elected treasurer for the association.

The recent rule promulgated by the Kentucky Racing Commission relative to apprentice allowances in handicaps, is causing considerable trouble because of its alleged vagueness. Some owners claim that they have the right to ask for the allowance within forty-five minutes of a stake handicap, while others maintain that the allowance must be claimed at time of entry or declarations to all handicaps. The commission will probably be asked to pass on this phase of the rule.

Louis A. Cella and Captain Tilles were visitors today, having come over for a short stay and to attend the directors' meeting this morning.

J. B. Respess had his Kentucky Derby winner, Wintergreen, out for a brief airing on the track this morning. The colt is now wearing a bar plate and does not seem to show any ill effects of his recent mishap.

Edward Corrigan made a short visit to the track today and returned to Lexington on one of the afternoon trains.

Joseph A. Murphy, who presided at the Jacksonville meeting, does not anticipate any adverse legislation in the lower house on the question of racing, despite the action of the senate in passing an anti-racing measure. The Florida legislature will adjourn on Saturday next.

It is expected that thirty bookmakers will be in line here Monday.

## WILL RAISE SADDLE HORSES.

Lexington, Ky., May 29.—At the McGrathiana dispersal sale last fall Thornton Lewis, manager of the Kanawha Dispatch Routes, of Cincinnati, bought five thoroughbred mares, to be mated with his saddle stallion, The President, and sent them on to his Meadows Stock Farm at White Sulphur Springs, W. Va., where they have all had foals this spring. Glove, by Audrain—Tara Blackburn, has a chestnut filly by Nasturtium. Hebrew Maid, by Phoenix—Judith, has a chestnut colt by Lackford. Hue, by Rainbow—Festival has a brown colt by Woolsthorpe. Rheta, by Lamplighter—Senorita, has a chestnut filly by Nasturtium, and Roll Call, by Requital—Reina Victoria, has a bay colt by Monsieur de L'Orme.

Mr. Lewis, while here a day or two ago, said that it is not his intention to keep any of these youngsters. "I selected the mares for their size, bone and conformation, with the expectation of producing from a union with my saddle stallion a particularly desirable class of saddle horses," said he. "The mares have all been bred to The President, which I bought of L. T. Anderson, Point au View Farm, Maysville, this spring, and I believe the results next spring will be very satisfactory. It is not my purpose to engage in horse racing for the reason that I haven't the time to devote to the sport, and I have made up my mind to sell the thoroughbred colts and fillies. It is likely, however, that I will keep them until they are yearlings and send them to the Sheepshead Bay sales."

## WINN AND FOLLANSBEE AT JUAREZ.

El Paso, Tex., May 29.—Colonel Matt Winn, president of the American Turf Association, and J. G. Follansbee, his associate, are here to complete preparations for starting the big race track enterprise near Juarez, opposite El Paso. The track will be about twelve miles below El Paso, in Mexico.

## BANNER BELMONT CROWD

### YESTERDAY'S ATTENDANCE GREATEST SINCE HART-AGNEW LAW WENT INTO EFFECT.

### Live Wire Scores Surprising Victory Over Jack Atkin and Other Good Ones in Cosmopolitan Handicap—Fitz Herbert Wins Pocantico.

New York, May 29.—Weather conditions today were perfect. The card at Belmont Park contained no great attraction. It was, in fact, somewhat commonplace. Notwithstanding, a big crowd headed for the magnificent Queens course and nobody was disappointed with the quality of sport provided. This was the banner day from the attendance viewpoint at a metropolitan race course since Governor Hughes signed the Hart-Agnew anti-racing bill in June of 1908. More than 12,000 devotees of the glorious sport were present when the bugle called the horses to the post in the introductory dash for two-year-olds. Probably the most valuable piece of horseflesh in America started in this race—James R. Keene's Ben Brush colt, Sweep. The idea prevails that this exquisitely turned youngster is another Colin, and, as a matter of fact, he performed like one. Those behind him at the finish included such promising racers as Medallion, Perry Johnson, Brushbroom and Hampton Court. Critics are becoming more and more enamored of the gigantic Brushbroom, which finished fourth, and some of them even go as far as to predict that he will develop into a champion.

The Cosmopolitan Handicap, which followed, was the real racing feature of the afternoon, and engaged the great Jack Atkin, besides such lesser turf stars as Frank Gill, Montgomery, Live Wire, Turncoat and Berkeley.

Its running resulted in a big upset, Live Wire, quoted as high as 10 to 1, and handicapped with a novice jockey, defeated Barney Schreiber's renowned sprinter in decisive fashion. This was the greatest betting race of the day.

Roseben, the former invincible sprinter, gave form players another shock with a cantering victory in the next race. McCarter, the odds-on favorite, broke down hopelessly and was nosed out for second place by the 60 to 1 chance, Black Mate.

The tabled history of the Cosmopolitan Handicap since its first running in 1906 is as follows:

| Year. | Winner. | A. | Wt. | Jockey. | Val. | Time. |
|---|---|---|---|---|---|---|
| 1906 | Inquisitor | 3 | 103 | W. Miller. | $5,075 | 1:47⅘ |
| 1907 | McCarter | 3 | 100 | W. Miller. | 5,175 | 1:45⅘ |
| 1908 | Tourenne | 4 | 101 | Musgrave | 4,790 | 1:45⅘ |
| 1909 | Live Wire | 4 | 114 | A. Lee | 430 | 1:45⅘ |

The Pocantico marked the first eastern appearance in his three-year-olds form of Fitz Herbert. Hildreth's crack had been entered and scratched several times since the Belmont meeting commenced. The betting reflected his superb condition. His appearance and subsequent impressive victory over Lady Bedford and three others gave rise to an impression that he may turn out to the best horse of his age in training.

The condensed history of the Pocantico Stakes since 1900 follows:

| Year. | Winner. | Wt. | Jockey. | Val. | Time. |
|---|---|---|---|---|---|
| 1900 | Missionary | 113 | O'Connor | $1,280 | 1:47¾ |
| 1901 | Blues | 116 | O'Connor | 1,180 | 1:47½ |
| 1902 | Dixieline | 115 | Odom | 1,410 | 1:47 |
| 1903 | Regodon | 116 | Gannon | 1,890 | 1:48 |
| 1904 | Dolly Spanker | 120 | Redfern | 1,875 | 1:47½ |
| 1905 | Cairngorm | 116 | W. Davis | 1,935 | 1:53 |
| 1906 | Inquisitor | 125 | W. Miller | 2,010 | 1:46 |
| 1907 | Zambesi | 119 | W. Miller | 2,085 | 1:45 |
| 1908 | Golden Pearl | 121 | Musgrave | 1,950 | 1:52⅘ |
| 1909 | Fitz Herbert | 125 | E. Dugan | 1,050 | 1:13 |

The steeplechase attracted a big gathering of the hunting set in the clubhouse. It developed into a two-horse affair between the veteran, Grandpa, and Jimmy Lane. The one other starter with the Japanese name bolted the course early. Tompkins' cross-country star of last season was a hot tip, but succumbed to his aged opponent, principally because he lacked condition. His novice rider was also a contributory factor.

The tabled history of the International Steeplechase Handicap since 1900 is as follows:

| Year. | Winner. | A. | Wt. | Jockey. | Val. | Time. |
|---|---|---|---|---|---|---|
| 1900 | Van Shipp | 7 | 162 | Mara | $1,360 | 5:04 |
| 1901 | Passe Partout | 5 | 140½ | Hueston | 955 | 4:52½ |
| 1902 | J. Megibben | 8 | 159 | Barry | 1,290 | 3:51 |
| 1903 | Walter Cleary | 6 | 149 | Mara | 1,850 | 3:52 |
| 1904 | Plato | 6 | 153 | Veitch | 1,620 | 3:59⅘ |
| 1905 | Arian | 6 | 153 | Finnegan | 1,660 | 4:01 |
| 1906 | Herculoid | 4 | 135 | Donohue | 1,905 | 4:13 |
| 1907 | Pagan Boy | 7 | 140 | E. Heider | 1,790 | 3:59 |
| 1908 | Sanctus | 5 | 142 | Dupee | 2,035 | 3:59 |
| 1909 | Grandpa | 10 | 148 | Veitch | 550 | 4:06½ |

Lad of Langden's success in the closing event was chiefly due to the riding skill of Andy Blakeley's apprentice jockey, Glass.

It was announced today that the field stand at Belmont Park will not be opened on Decoration Day. It is expected, however, that the holiday will mark the revival of local racing on a magnificent scale.

The grandstand presented a lively appearance and the lawns were crowded this afternoon.

In the clubhouse the turnout was remarkably large, while nearly 500 automobiles were packed in the rear of the big buildings.

James R. Keene, who had three horses entered, was one of the early arrivals, having followed his usual custom of journeying to the track by train.

Captain E. B. Cassatt and Mrs. Cassatt were among those in the clubhouse throng. Captain Cassatt has secured the colors used by his illustrious father, A. J. Cassatt, who raced The Bard and many other famous horses. These colors had been claimed by J. B. Brady after the death of the elder Cassatt, but last night Mr. Brady announced his intention of retiring from the turf and surrendered the silks to Captain Cassatt. Immediately on receiving permission to use the old red, white and blue thirds, Captain Cassatt had a set of silks made and they were carried by Choirmaster of Chesterbrook this afternoon.

Scoville has been engaged to ride Frank Gill in the Brooklyn Handicap.

## BABY WOLF AND EDWARD UNPLACED.

London, Eng., May 29.—The scene of English racing shifted today from Epsom to Kempton Park, with the Windsor Castle Handicap as the chief event. Among the ten starters were Harry Payne Whitney's Baby Wolf and Louis Winans' Edward, the latter purchased from John E. Madden at the same time that Mr. Winans secured Sir Martin. Both finished unplaced. The result of the race was as follows:

Windsor Hotel Handicap Plate, of 500 sovereigns, for three-year-olds and upward, distance six furlongs:

Carl Meyers' Glenesky, b. c. 3, by Lesterlin—Stella ..... 1
A. F. Basset's Sir Archibald, blk. c. 4, by Desmond—Arc Light ..... 2
J. B. Joel's Elmstead, ch. c. 4, by Amphion—Sierra ..... 3

The St. Margaret's Two-Year-Old Selling Plate, of 200 sovereigns, distance five furlongs, was won by the Triticola filly, Cocci was second and Bouton Rouge third. August Belmont's Lukewarm was one of the eleven starters.

St. Ouen, France, May 29.—The Prix Leger here today was won by J. E. Widener's Homelander. His Sheriff Williams ran in the Prix Tete Noir, but did not get a place.

## MORE HAGGIN HORSES GOING ABROAD.

Lexington, Ky., May 29.—J. B. Haggin left here tonight for New York, Tuesday a band of stallions and mares, about 100, will be shipped to New York in charge of John Mackey to take a steamer for the Argentine Republic.

## NOTES OF THE TURF.

A. L. Aste's mare Gold Lady has been bred to Nasturtium.

There will be running races in connection with the Inter-Provincial fair at Brandon, Man., July 19 to 23.

Jack Atkin is a probable starter in the Brooklyn Handicap, in which he has been assigned an impost of 119 pounds.

Jockey Johnny Daly, who made his re-appearance in the saddle at Latonia Friday, did 122 pounds only with difficulty.

The full brother to Highball recently foaled at Dixiana Stud, closely resembles his illustrious relative. He is a bay, with a small star and black points.

Earl Linnell has leased from C. E. Duffy the racing qualities of Dominus Arvi for 1909, and the horse, a sprinter of considerable prominence on the Pacific coast, will be seen in action on the New York tracks.

Hallaton has now won seven handicaps in succession in England, and he has a sound claim to be considered the fastest sprinter in training. His career has been a curious one, for he was originally used as a hunter.

Mrs. L. A. Livingston, owner of Rancocas Stock Farm in New Jersey, is hopeful of winning the King's Plate at Toronto three years hence with a product of the breeding farm which she recently established near Cobourg, Ontario.

The Chelsea Stable's good colt Lothario, a two-year-old that showed promising form at Pimlico, is improving, after having been desperately sick with fever. His temperature rose to 106 soon after his arrival at Belmont Park from Baltimore.

James Sheridan, who some seasons back trained the Oxnard horses, arrived at Gravesend a day or two ago with an even dozen horses. He brought them from Lakewood, N. J., and they are the property of J. N. Cooper. Ten in the lot are old horses and there are two two-year-olds. All of them are big and high and it will be some time before they are seen under colors.

Went to post at 3:34. At post 5 minutes. Start good. Won driving; second and third the same. Henry O. was outrun for the first half, but gradually worked his way up on the far turn and, finishing gamely, wore Bobbie Kean down and outstayed him in the final drive, was in the middle of the track all the way and covered more ground than any other horse in the race. Bobbie Kean made the pace under restraint, but finally quit when challenged by the winner. John Garner ran a good race for six furlongs and tired. The others were beaten off. The winner was entered for $500; no bid.

Winner—B. c, by Plaudit—Unsightly (trained by D. J. Leary).

Went to post at 4:04. At post 4 minutes. Start poor. Won driving; second and third the same. King James was on the inside next to the rail where the going was soft all the way, raced High Private and Hanbridge into defeat in the first six furlongs and had enough in reserve to stall off Arondack's challenge at the end. Arondack worked her way up on the outside and covered more ground than any horse in the race, got on almost even terms with the winner at the furlong post, but tired in the final strides. High Private, crowded back on the turn into the homestretch, closed up again at the end. There was much bumping at the start, High Private being the principal sufferer.

Went to post at 4:31. At post 1 minute. Start good. Won easily; second driving. Agent ran under restraint for the first two turns of the field, made a bad landing at the eleventh jump and all but lost his rider, but quickly recovered and, wearing Kara down in the last quarter, drew away into an easy lead. Kara fenced cleanly and showed much early speed, but tired in the final drive. Ben Cole struck a couple of the fences and this caused him to tire. Expansionist fell at the sixth jump.

Thomas Calhoun faltered in the last furlong after early racing with Gold Note and Dareington. The latter ran a good race, but was made entirely too much use of and tired in the stretch drive. Varietes finished well and so did Howard Shean. Cruche d'Or met with much interference. Gold Note showed speed, but failed to stay. The winner was entered for $400; no bid.

Winner—Br. c, by Ben Brush—Pink Domino (trained by J. Rowe).

Went to post at 2:33. At post 4 minutes. Start good. Won cantering; second and third driving. Sweep drew out like a flash, won all the way by a wide gap unextended and far outclassed his opposition. Medallion ran in nearest pursuit throughout and was a game second. Perry Johnson ran in striking distance pursuit from the start, but tired in the closing strides and was handicapped by the slow going. Brushbroom, away poorly, closed a big gap. Hampton Court, sharply crossed at the start, could never get into serious contention, but ran a good race. Glopper, prominent early, quit, as usual. Firebox steadily improved his position from a slow start.

Scratched—81857 Sandrian, 117; $81996^{2}$Dalmatian, 119; 81857 Colinet, 117; 80203 Eddie Dugan, 117.

Winner—B. c, by Handsel—Mother Bunch (trained by W. H. Congdon).

Went to post at 3:01. At post 3 minutes. Start good. Won driving; second and third the same. Live Wire, after forward and persistent pursuit, wore Jack Atkin down decisively at the end. The latter made the running under a pull to midway of the stretch, then tired into a game and persistent second. Montgomery made a wide stretch turn and, while swerving over the course at the end, caught Berkeley in the last stride for third place. Berkeley ran a good, game race. Frank Gill, prominent early, dropped back on the turns, but finished close up and was palpably short. Turncoat, away very badly, closed an early gap and loomed up midway of the stretch, but tired badly finally. Mark Antony II. finished close up.

Went to post at 3:27. At post 2 minutes. Start good. Won in a canter; second and third driving. Roseben was reserved under a pull to the stretch, then drew out and won off pulling up. Black Mate trailed close up and finished fast, getting up in the last stride for second place. McCarter lapped the pacemaker to the stretch, then quit and pulled up very lame. Belleek set the pace on sufferance for five furlongs, then succumbed, but is promising. The winner was entered for $1,000; no bid.

Went to post at 3:55. At post 1 minute. Start good. Won cantering; second and third driving. Fitz Herbert strode to the front commandingly and won all the way unextended. Lady Bedford, always in nearest pursuit, was a fast going and persistent second and is a rare stayer. Henley ran prominently for five furlongs, but quit badly as if short. Sententious showed brief speed and was palpably unfit. Yama, probably moderate, was outpaced decisively all the way.

Went to post at 4:22. At post 1 minute. Start good. Won cantering; second driving. Grandpa led by a wide gap throughout never seriously menaced. Jimmy Lane, badly ridden, delayed his real effort too long and could never get up, but was palpably short anyway. Jiu Jitsu ran amuck, bolted the course in the first quarter and is a crazy horse.

Winner—B. g, by Algol—Lass of Langden (trained by R. E. Watkins).

Went to post at 4:53. At post 1 minute. Start good. Won driving; second and third the same. Lad of Langden, after being in close inside pursuit, challenged in the final sixteenth and outstayed the pacemaker in a hard final drive. St. Joseph outbroke and outpaced the others for the first mile and tired at the end. Rockstone, suddenly improved, was a prominent and persistent contender throughout. Choirmaster of Chesterbrook, after nearest pursuit for a mile, quit and was boring out in the closing drive. Dander, repeatedly interfered with, made wide turns and finished well. Golconda, shuffled rearward at the start, closed a big gap. Beauclere trailed hopelessly last to the stretch and made a belated whirlwind closing sprint. Woodcraft is in unaccountably bad form. Sea Wolf quit after early prominence. The winner was entered for $1,000; no bid.

Stoner Hill forced the early pace and held on well through the last quarter. Boema apparently sulked for the first half and came with a rush in the last furlong. Lillian Ray, a sharp contender for the first half, went wide into the stretch and tired near the end. Ralbert began slowly and ran poorly. Ethel Carr ran fairly well. Tim Kelly can do better. Al Muller, after being hard driven to maintain a position close to Sea Swell during the first half, drew away, but had to do his best near the end to outstay Dainty Dame. The latter began slowly and, although going wide into the stretch, finished gamely and was going fastest at the end. Sea Swell tired badly after pacemaking for five furlongs. Grenade ran forwardly throughout and held Boserrian safe in the closing drive. Boserrian was away slowly and forced to go wide and ran a good race. Deacon came from a long way back in the stretch. Gypsy King, under poor riding and meeting repeated interference, had scant chance. Rickey ran well for a half. The winner was entered for $800; no bid.
